

### **Sending Our Condolences**

Bowler, Coach, dedicated Volunteer and good friend to bowling, in particular the York Simcoe 5 Pin Bowlers' Association. These are just a few of the attributes of our good friend Jim Glandfield. Jim passed away in Surrey, British Columbia after a long and determined fight with emphysema.

Jim was born with bowling in his blood to Ontario 5 Pin Hall of Fame Legend Rolly and his mom Dorothy. Jim started his bowling career at the age of 10 and continued until poor health forced him to retire. In his prime, Jim bowled in with many of the top bowlers in all major league. He had a high triple score of 1082, high five score of 1604 and a high ten score of 2895. Jim had also bowled two perfect games. His first was in a Masters tournament in 1979 with his second one bowled in league play in the Scarborough Men's Majors league in 1987.

In the Ontario Open competition, Jim qualified on five York Simcoe Men's teams and coached on three other occasions. In the Master Bowlers Association Jim bowled a total of eighteen years in the Tournament Division and had one tournament win.

As a dedicated volunteer Jim spent over thirty years with the Toronto Association and with the York Simcoe Association. Jim was elected Vice-President of York Simcoe in 1977, a position he would hold for seven years. Jim also held the positions of Big Brother Coordinator and Lane Certification Agent. As Lane Certification Agent Jim received the Lane Certification of the Year Award twice at the O5 Annual Convention.

Jim was a Life Member of the Toronto and York Simcoe Associations. In 2007 Jim was inducted into the York Simcoe 5 Pin Bowling Hall of Fame as a bowler.

Our condolences go out to his sisters, Pat Mourant and Susan Lester and families for their loss. York Simcoe has truly lost a good friend to bowling.
