17. Bowlers/coaches who compete in regular league play as registered members of an O5PBA sanctioned or affiliated league in a Zone other than their principal residence, and have played the year prior in that other Zone, will be allowed to compete in the Open in that other Zone by filing a "Declaration of Intent" to the Zone Tournament Director by **October 31, 2021**. A copy of the current year (2021-22) average sheet confirming their current participation in said league or in another league, within that same Association, must accompany the "Declaration of Intent" which form states. **Furthermore, I understand that it is my responsibility to ensure that this form is submitted to the Ontario 5 Pin Bowlers' Association by the deadline date established. Please Note: For the 2021-22 season only, the 50 game requirement for declaration of intent for the Open and Senior Open will be waived, but 50 games must be attained in the previous season (2019-20) for all bowlers and coaches. The Tournament Committee will review any exception requests on a case by case basis. In the prior season, a bowler/coach must have bowled a minimum of fifty (50) games in a sanctioned or affiliated league of the Zone they wish to declare in, and be listed on the o5pba website Average Book for that league to be eligible to declare. Once a Declaration of Intent is filed the bowler/coach cannot bowl/coach in the Zone of their principal residence for that year. If a Declaration of Intent is not filed by that date, the bowler/coach must compete in the Zone of their principal residence. Note: A coach who is not actively bowling at all (not an O5 member from any league) will be exempt from the 50-game criteria, so they can coach in a non-resident Zone.**
