### COVID-19 Closures and Postponements

Effective Wednesday January 5, 2022 at 12:01am, the Province went back to a modified Stage 2 Reopening Plan. This means that all bowling centres will be shut down for at least 21 days.

This news currently affects the Zone Round of the High-Low Doubles and Provincial Round of the Youth Challenge. At the moment, both tournaments have been postponed. We will provide an update in a few weeks when we have more information.

In the meantime, please stay safe and healthy. Remember to practice proper Social Distancing Protocols, hand hygiene and wear your masks. Once the centres open again, get back on the lanes to show your love and support to your local Proprietor.
