

REVIEW

October 2020

Welcome Back to the 2020-21 bowling season!

Our lives were forever changed when COVID-19 descended upon us in March and everything came to a halt. We watched the world shut down, an eerie and scary time for millions of people, as we placed our faith in our government to get us through this pandemic. The bowling season ended abruptly with unfinished leagues, no year-end banquets, awards or Annual General Meetings both Zone and Provincially.

We all learned how to adapt and adjust the way we carry on our daily lives which not includes wearing mandatory face masks. We entered uncharted waters by lining up for all the things we had taken for granted over the years. Collectively we praise and are grateful to all our frontline workers, who selflessly put themselves at risk on a daily basis, to help protect us all. Words can never be expressed to show our gratitude to all of these individuals.

With the bowling season beginning again; and then being temporarily on hold again, we ask you to all be mindful of the social distancing rule, to ensure everyone's safety.

This is our 54th year as an Association and we look forward to another rewarding season. We encourage you to contact any Board member or attend our monthly meetings, where you can raise any concerns or put forth an idea for the betterment of our sport.

On behalf of the York Simcoe 5-Pin Bowlers Association, we hope you have a fun and rewarding season.

UPCOMING EVENTS
