Sending Our Condolences

It is with great sadness that the YS5PBA shares the passing of Hall of Fame Member, Sid Morris on November 6, 2018 at the age of 90. Sid was a long time supporter of our sport on many levels; sponsoring events like our ever-popular North-South Tournament and the Provincial Ontario Open and Senior Open. Sid was also a sponsor of the Master Bowlers Association.

Sid firmly believed in promoting bowling, and over the years, contributed many articles to the Bowlerama Times, the Scarborough Mirror, the Ontario Bowling News, the Era Banner in Newmarket and the Ontario Bowler. As the Publicity Director for York Simcoe for 19 years, Sid was a finalist in the publicity category at our Annual General Meeting, winning top honours in 1995 and 1999. He also coached various Open teams on two occasions and in 2005 coached the Seniors team to victory. In 1994, Sid was inducted into the O5PBA's Hall of Fame as a Builder and into the first York Simcoe Hall of fame in 2001 in the same respective category. It was in 2013 that YS5PBA bestowed Life Membership to Sid for all of his contributions to our sport.

On behalf of our Association, we offer our sincere condolences to all of the Morris family for their great loss. We have all been very fortunate to call Sid our friend and been able to listen to him share his stories and knowledge of our great sport.
