

# REVIEW

April 2020

## Zone and Provincial Tournament Postponements

Since the announcement of the COVID-19 virus Pandemic, there is nothing more important to us than the safety of our bowlers and their families. The O5PBA and Y5PBA are listening to the public health officials and making decisions based on their recommendations. Currently all upcoming tournaments have been postponed until further notice. Rest assured we are listening to the government officials and making adjustments as things unfold. Please remember to stay home and stay safe. We hope that you and your family are able to enjoy some much needed time together during this difficult time.

## Bowling School Winners

Every year our association selects several youth candidates to attend the O5PBA Bowling School that take place in the summer. Congratulations to this years four lucky winners: Ethan Kim from Stellar Lanes, Hailey Liegertwood from Markham Bowl, Rebecca Parr from Stellar Lanes and Alex Seloterio from Markham Bowl.

## No Fooling This April Fools

Turns out the joke was on President Heather Cresswell and Board Member John Cresswell, as their long awaited Grandson arrived a month early. Congratulations to Cheryl and Luigi Mirabella on the birth of their son Matteo James Mirabella, born April 1, 2020, weighing 7lbs and 15oz.
