YBC
History of Youth Bowling Canada (YBC)

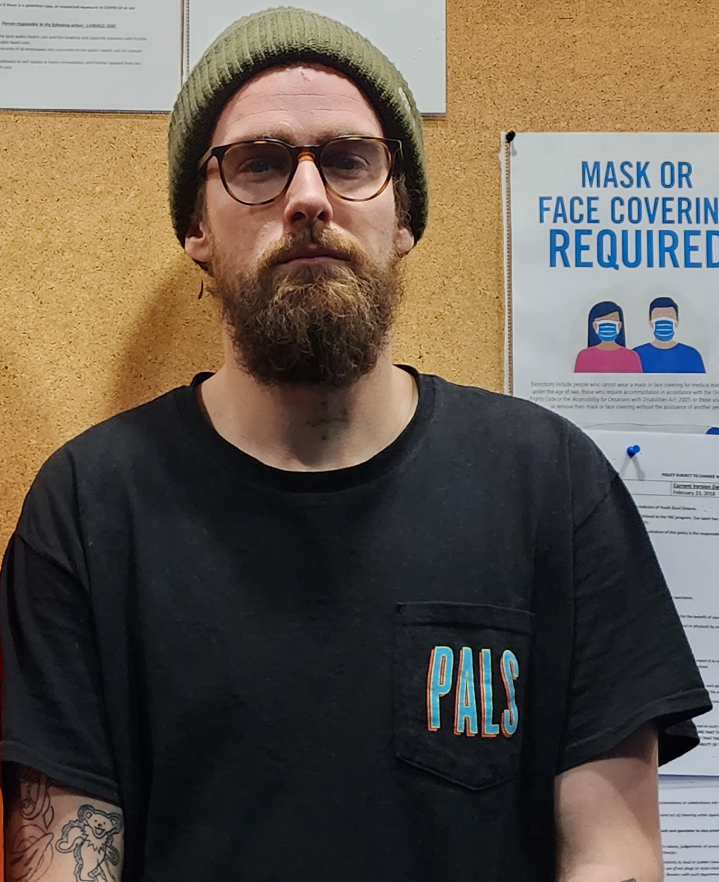

In 1992, Youth Bowling Canada (YBC) was established as a national organization for young bowlers and their families and coaches.

YBC's mission is to provide an interesting program that would encourage more youngsters to participate in the national game of bowling.

YBC's goals are to:

1. To provide an interesting program that would encourage more youngsters to participate in the national game of bowling.
2. To provide a program that would encourage about 500,000 youngsters to participate in the national game of bowling.
3. To provide a program that would encourage about 500,000 youngsters to participate in the national game of bowling.
4. To provide a program that would encourage about 500,000 youngsters to participate in the national game of bowling.

YBC is a national organization that provides a safe and fun environment for young bowlers to learn and grow.

MASK OR FACE COVERING REQUIRED

Facemasks (cloth, paper, or other wear) are a key part of your protection against COVID-19. They help reduce the spread of the virus by blocking respiratory droplets that may contain the virus. They also help protect you from germs that may be in the air.

COVID-19 SELF-ASSESSMENT

Before entering, please assess yourself!

COMMON SYMPTOMS OF COVID-19 INCLUDE:

- Fever
- Cough
- Shortness of breath

OTHER SYMPTOMS OF COVID-19 CAN INCLUDE:

- Loss of taste or smell
- Sore throat
- Runny nose
- Headache
- Fatigue
- Muscle aches
- Diarrhea
- Nausea or vomiting

In the last 14 days, have you, your child or other dependent:

- Had a fever?
- Had a cough?
- Had shortness of breath?
- Had a loss of taste or smell?
- Had a sore throat?
- Had a runny nose?
- Had a headache?
- Had fatigue?
- Had muscle aches?
- Had diarrhea?
- Had nausea or vomiting?
