O5PBA Hall of Fame 2022

The O5PBA held their Hall of Fame Induction Ceremony on Saturday November 5, 2022. This years class included our President Heather Cresswell as a Builder, and Player Sandi Horton, who is ranked number 8 in Canadas Top 100 Bowlers.

Heather has been a longtime volunteer with York Simcoe. She has served in many positions such as Coaching Chair, Average Book Chair and President, having captured numerous honours at the O5 AGM. She was inducted to the York Simcoe Hall of Fame in 2014 as a Builder.

Sandi has had a stellar career as a bowler, starting in her YBC days when she was a Provincial Champion and a National medalist. In the adult ranks, she continues her success in the Open Championships, capturing Provincial team and National Singles titles. With the Master Bowlers Association, she earned 4 National Singles and 6 Team titles. She was also inducted in 2018 to the York Simcoe Hall of Fame in the Player Division.
