

### Ontario Open & Senior Open Championships

Once again the Easter weekend was filled with the sounds of bowling balls crashing with the pins, as the Mens, Ladies, Mixed and Seniors Teams competed in the Ontario Provincial Open and Senior Open. This year the event was a bit different from previous years, as teams were in multiple centres as opposed to one. The Mens and Ladies played in Echo Bowl in Brantford, the Mixed in C & D Lanes in Woodstock and the Seniors at Mike's Lanes in Stratford. All our teams had great bowling moments, but sadly felt short of bringing home the gold. Congratulations to the Mixed team who finished third and Lori Ferlito who finished fifth in the Singles. Congratulations to Diana Fendley who was recognized for 15 years of successfully qualifying to compete in the Ontario Open Championships. A special thank you to Danny Vogler, who captured many memorable moments of the competition as this years official photographer.
